

### RUGGED, COST EFFECTIVE AND VERSATILE

The P7000 offers unsurpassed reliability. When your application cannot be interrupted, look to the P7000 for maximum productivity.

For cost control, this technology provides the edge needed, giving you the lowest cost per page output.

It handles specialized forms that work for your application – forms that can only be printed on a line matrix printer – information reports, multi-part transaction documents and bar code labels.

### P7000 FAMILY INTRODUCES

- **Enhanced reliability** – provides more up time and lower operating costs
- **Ultra Capacity ribbons** – delivers darker image, lasts longer, and costs less
- **Integrated print management system** – provides precise control over print quality, print costs, and job planning
- **Redesigned pedestal** – improves user access and forms handling flexibility
- **Increased ease of use** – simplifies operation and enhances productivity

### ENHANCED RELIABILITY

No other print technology delivers more trouble free high volume printing than a Printronic line matrix printer. Every generation of our printers has delivered higher quality and more reliability than its predecessor. Now the P7000 family, with a wide range of design enhancements, carries the tradition forward delivering the most reliable Printronic printer ever. The result is more uptime, more mission critical dependability, and lower service and operating costs.
